

FEMINIST CENTER FOR
REPRODUCTIVE LIBERATION'S

Fundraiser Sponsorship Opportunities

MISSION – Feminist Center is a reproductive health, rights, and justice organization. We provide direct services, education, advocacy, leadership development, and movement building with people across all axes of oppression so that we have the rights, resources and respect to make empowered, informed decisions about our own bodies and health.

VISION – We envision compassionate, judgment-free health care, abortion access, and bodily autonomy for all who need it, intentionally centering Black people, Indigenous people, and the TGNC+ community. We imagine clinics, legislation, and communities where our decisions about our bodies, pregnancy, sexuality, family, and safety are honored, protected, and treated with dignity.
